

This document is available to help you configure different devices, such as cell phones (iPhone) and tablets (iPad).

It is not possible to give you a setup procedure for every device. These instructions may not apply exactly to your device, but will serve as a guide.

Possibles iconos que representan la conexión inalámbrica (Wi-Fi) :

Apple

Here is the path to follow for your iOS cell phone or tablet (iPad, iPhone, etc.): Settings -> Wi-Fi

1. Go to Settings
2. Choose your Wi-Fi connection : **csbe**
(If your Wi-Fi is turned off turn it on).
3. If you appear to be connected without having internet access or your device doesn't seem to be trying to connect, tap the information icon , then « Oublier le réseau » (Forget this network). Otherwise go to the next step.

4. You will then be asked for your login information to identify yourself.

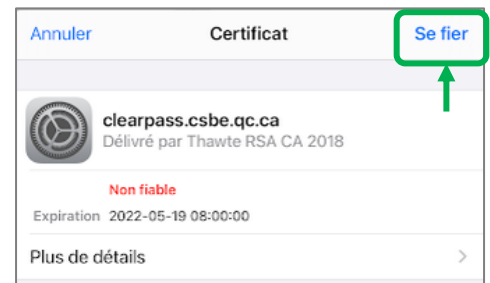

Utilisateur (ou identité) : your SCOL e-mail (**do not type**

@scol.qc.ca). Par exemple: jbedard33

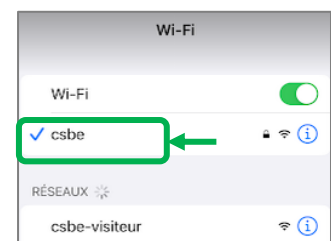

Mot de passe (password) : your student (card) number.

5. Then click on « Se connecter » (connect).

6. Before it connects, your device will ask you to authorize the security certificate. Click on « se fier » (Trust) to complete the connection.

7. You are now connected to the wireless network of the Centre de services scolaire de la Beauce-Etchemin.

If it still doesn't work:

* If you are still having difficulty connecting to the “csbe” wireless network, try all these steps again after restarting your device.

* If you are still having difficulty connecting to the wireless network “csbe”, we invite you to contact the IT Assistance Center (**service in French**), on 418 228 5541, extension 60000, to validate your connection information.
